

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

2024-2025 school year

All students and parents

Name of Activity

Praises of maternal melodies 、 Sweet flavor in honor of father's love

Objective(s)

- Recognize that “respecting parents” is one of the values of Chinese culture.
- Enable children to express their gratitude to their parents through practical actions.
- Cultivate an attitude of caring for and respecting others.

Brief Descriptions

- Express gratitude to mothers through song performances and homemade gifts.
- Express gratitude to fathers for their care through snack making, allowing children to show their filial piety through practical actions.
