Pok Oi Hospital Mrs Yam Wing Yin Kindergarten

Name of School

2024-2025

School Year

K1

Grade Level

Name of Activity

Watching a juggling performance

Objective(s)

- To appreciate China's time-honored performing art—Chinese juggling.
- To engage in a beginner-friendly juggling workshop, such as plate spinning or block balancing.

Brief Descriptions:

1. The juggling master introduces and explains traditional Chinese juggling, helping children understand its historical evolution—from imperial court entertainment to folk festival traditions.
2. The master demonstrates performances like plate spinning, diabolo (Chinese yo-yo), and ball juggling, showcasing the essence of this ancient art.
3. The master explains the techniques behind each performance.
4. Children participate in a beginner-friendly juggling workshop, trying activities like plate spinning and block balancing.
5. Conclusion: Children share their thoughts and feelings about the juggling experience.
